## About Health Hero

Health Hero is the largest location based mass vaccinator in the United States— providing more than 1 million Americans inoculations since 2011. We come fully equipped for an onsite clinic with a team of nurses able to manage the process and distribution of Pfizer vaccines to meet your particular needs.

## COVID-19 Clinics

Health Hero is running COVID-19 clinics on behalf of the state in partnership with your local Department of Health. Our goal is to protect our local communities and make it fast and easy for individuals to receive their vaccine. We're proud to be a part of the vaccine rollout.
